**This is our season!**

For educators, fall is the season where we shine. Anticipation and nervousness about the first days of a new school year give way to feelings of commitment and determination to make this the best year yet for learning. Some have settled into a new classroom, are adjusting to a new curriculum, or are newbies at their school. With the added complications of Covid, everyone is dealing with new students in a new teaching environment. One thing that hasn't changed since its inception in 1929 is DKG's purpose, **"To unite women educators of the world in a genuine spiritual fellowship."** We're still here for one another. If you know a fellow educator who you think would benefit from the support of our society, invite them to a meeting or to the Christmas Brunch and Boutique.

*We'll show them how we shine!*

## DKG Chapter Service Awards

Debbie R,  
Beta Lambda Committee Chair

Hi, Ladies!

Happy fall! It's never too early to begin thinking about gathering ideas for our chapter service awards, to honor DKG members of a community person for their hard work teaching and helping children or improving our community. There are **THREE** ways to recognize outstanding people. Award category details are listed below.

Please email nominations to Debbie R. I will be taking nominations until February 15, 2022. Or talk to one of our wonderful committee members – Marilyn H, Meg P, or Heidi M.

Thanks so much for your support.

### Chapter Service Awards are available for these three categories:

1. **Outstanding Service** – designed to recognize a chapter member who has served in a leadership role in at least two capacities.
2. **Career/Professional** – designed to recognize a chapter member who has developed an educational project that has had a positive impact on the profession.
3. **Public Service** – designed for recognizing someone (DKG member or non-member) who is making an outstanding contribution in the public service arena in the community – especially having to do with youth and education.

In this, the season of **GRATITUDE**,  
as Beta Lambda members,  
let's consider...

Writing a 'Thank You' card to someone who  
has added to the richness of your life,  
Calling someone just to say "Hello,"  
Volunteering to provide a service - small  
or great,  
Listening to others with a full heart, or  
Passing a good deed forward.
